MERCHANDISING PERMIT APPLICATION **FOR ALCOHOLIC BEVERAGES**

A Casino Hotel Alcoholic Beverage (CHAB) Merchandising Permit issued by the Division of Gaming Enforcement (Division) is required when a producer, wholesaler or distributor seeks to participate in a merchandising show, product introduction event or other promotional event that is held on the premises of a CHAB licensee. The holder of a merchandising permit may offer complimentary samples of alcoholic beverages only to New Jersey retailers (including their bona fide employees), official alcoholic beverage industry representatives and their authorized adult guests attending the event. The permittee may also accept purchase orders for alcoholic beverages from New Jersey licensed retailers.

Each producer, wholesaler or distributor offering complimentary samples of alcoholic beverages or accepting purchase orders is required to file an application for a CHAB Merchandising Permit. This application requests specific information about the event and the service of alcoholic beverages during the event. A copy of the 12-digit New Jersey Alcoholic Beverage Control (ABC) license and/or Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF) permit must be included with this application. In addition, any applicant for a CHAB Merchandising Permit must include an Inventory Report that describes the amount of alcoholic beverages intended for display and sampling at the merchandising or promotional show. This inventory is to include the type (brand name) and the amount of each that will be on display and offered for complimentary service.

If the permittee is not licensed in New Jersey, the application must be accompanied by proof that New Jersey Alcoholic Beverage Tax has been paid on those products to be sampled or displayed, except when such products have been procured from tax-paid inventory of a New Jersey-licensed wholesaler and identified with New Jersey Brand Registration numbers on aforementioned inventory list.

The application must be filed at least 30 days before the date of the event and is to include a fee of \$50 for each day of the event. The fee is nonrefundable should the event be canceled.

A CHAB Merchandising Permit is granted with conditions that address the handling, storage, selling and complimentary serving of alcoholic beverages at the event.

Additional information about a temporary miscellaneous permit can be found in the CHAB Merchandising Permit application form or by calling (609) 317-6218.

Note: As part of this application, you must provide a copy of any brochure, program, or application that describes the event. If no brochure, program or application is available, you must provide a written description of the event, the participants and any fee(s) charged in connection with attendance at the event.
